

<b>Municipality</b>	<b>Baseline Inventory Yr</b>	<b>% Reduction/Target Year</b>	<b>Plan Draft Time</b>
Annapolis, MD	2006	25% by 2012; 50% by 2020	6 months
Bedford, NY	2004	20% by 2020	2 years
Berkeley, CA	2005	33% below 2000 lvl by by 2020; 80% by 2050	approx 1 year
Evanston, IL	2005	15% by 2020	6 months
Greenburgh, NY	2008	12% by 2012; 20% by 2020	
San Carlos, CA	2005	15% by 2020; 35% by 2030	
Menlo Park, CA	2005	15% by 2020	2 years
Westchester County, NY	2005	20% by 2015; 80% by 2050	approx 1 year

Review of Global Warming Action Plans - Waste Measures

Measure Type	Annapolis, MD	Bedford, NY	Berkeley, CA	Evanston, IL	Greenburgh, NY	Menlo Park, CA	San Carlos, CA	Westchester County, NY	Summary - Potential Ossining Measures (Waste)
<i>Commercial Waste Management</i>	<ul style="list-style-type: none"> <li>• Create commercial recycling ordinance</li> </ul>	<ul style="list-style-type: none"> <li>• Increase commercial recycling</li> </ul>	<ul style="list-style-type: none"> <li>• Conduct outreach on best practices in waste management to businesses and homeowners</li> </ul>	<ul style="list-style-type: none"> <li>• Increase recycling outreach, especially to businesses</li> </ul>	<ul style="list-style-type: none"> <li>• Restaurants should be encouraged to donate or compost food waste if they are not already doing so.</li> </ul>	<ul style="list-style-type: none"> <li>• Create commercial recycling ordinance</li> </ul>	<ul style="list-style-type: none"> <li>• Create commercial recycling ordinance</li> </ul>	<ul style="list-style-type: none"> <li>• Explore commercial recycling incentives</li> </ul>	<ul style="list-style-type: none"> <li>• Establish a Green Business Program;</li> <li>• Partner with Chamber of Commerce for training sessions for commercial landlords and tenants on composting;</li> <li>• Outreach to local businesses to encourage them to offer customer incentives for the use of reusable bags</li> </ul>
<i>Household Waste Management</i>	<ul style="list-style-type: none"> <li>• Reduce trash pickup to once per week;</li> <li>• Undertake a "pay as you throw" trash reduction initiative;</li> <li>• Establish a home composting program</li> </ul>	<ul style="list-style-type: none"> <li>• Undertake a "Pay as you throw" trash reduction initiative;</li> <li>• Establish a home composting program and investigate creation of Town composting facility</li> </ul>	<ul style="list-style-type: none"> <li>• Conduct a household waste audit;</li> <li>• Increase outreach to households on composting;</li> <li>• Provide incentives for the creation of on-site composting at multi-family buildings;</li> <li>• Work with landlords to organize tenant trainings on recycling &amp; waste reduction;</li> <li>• Investigate the possibility of city purchasing reusable bags and making them available for very low cost/free from city</li> </ul>	<ul style="list-style-type: none"> <li>• Investigate a tax or ban on plastic bags and single use plastic bottles</li> </ul>	<ul style="list-style-type: none"> <li>• Encourage use of reusable shopping bags;</li> <li>• Conduct a public awareness campaign on the effects of plastic bags on wildlife;</li> <li>• Create a municipal composting policy and an educational program on composting;</li> </ul>	<ul style="list-style-type: none"> <li>• Undertake a "Zero Waste" initiative to divert as close to 100% of material from landfill as possible;</li> <li>• Create home composting program</li> </ul>	<ul style="list-style-type: none"> <li>• Increase outreach to residents of multi-family properties to increase recycling rates</li> </ul>	<ul style="list-style-type: none"> <li>• Establish a "recycling &amp; waste reduction challenge" for households;</li> <li>• Explore a "pay as you throw" waste initiative;</li> <li>• Conduct household waste audits to gather further information &amp; ensure compliance with Source Separation Law;</li> <li>• Consider prohibition of plastic utensils and bottles; conduct education &amp; outreach on best practices</li> </ul>	<ul style="list-style-type: none"> <li>• Create a home composting training program, working with homeowners as well as landlords and tenants at multifamily buildings;</li> <li>• Conduct a household waste survey;</li> <li>• Conduct public awareness outreach on the effects of plastic bags on wildlife;</li> <li>• Establish a household recycling &amp; waste reduction challenge</li> </ul>
<i>Public Spaces &amp; Events</i>	<ul style="list-style-type: none"> <li>• Require mandatory recycling at all public events; increase # of recycling containers at public locations</li> </ul>	<ul style="list-style-type: none"> <li>• Enact a "Zero Waste" goal for all public events</li> </ul>	<ul style="list-style-type: none"> <li>• Require a recycling plan for all public events that require a permit;</li> <li>• Prepare a recycling guide for event organizers;</li> <li>• Increase number of recycling receptacles in commercial corridors</li> </ul>	<ul style="list-style-type: none"> <li>• Support efforts to increase recycling at public places &amp; events</li> </ul>	<ul style="list-style-type: none"> <li>• Increase recycling in public spaces</li> </ul>	<ul style="list-style-type: none"> <li>• Add recycling containers to public parks &amp; other facilities</li> </ul>	<ul style="list-style-type: none"> <li>• Require submission of a waste management plan when submitting permit for public events, such as street fairs</li> </ul>		<ul style="list-style-type: none"> <li>• Prepare a recycling guide for event organizers that they would be given when obtaining an event permit</li> </ul>
<i>Construction Practices</i>	<ul style="list-style-type: none"> <li>• Encourage "deconstruction" and salvage for derelict structures instead of demolition</li> </ul>	<ul style="list-style-type: none"> <li>• Encourage "deconstruction" and salvage for derelict structures instead of demolition</li> </ul>	<ul style="list-style-type: none"> <li>• Encourage "deconstruction" and salvage for derelict structures instead of demolition</li> </ul>	<ul style="list-style-type: none"> <li>• Encourage "deconstruction" and salvage for derelict structures instead of demolition;</li> <li>• Establish a city-wide recycling rate for all construction &amp; demolition projects</li> </ul>	<ul style="list-style-type: none"> <li>• Develop a Sustainable Building Recycling Program</li> </ul>	<ul style="list-style-type: none"> <li>• Strengthen existing construction &amp; demolition ordinance</li> </ul>	<ul style="list-style-type: none"> <li>• Increase construction and demolition diversion rate to 60%</li> </ul>	<ul style="list-style-type: none"> <li>• Establish standards for % of material to be recycled in construction and demolition projects</li> </ul>	<ul style="list-style-type: none"> <li>• Create Construction &amp; Demolition Best Practices Guide for contractors and make available at Building Department.</li> </ul>

Review of Global Warming Action Plans - Transportation Measures

Measure Type	Annapolis, MD	Bedford, NY	Berkeley, CA	Evanston, IL	Greenburgh, NY	Menlo Park, CA	San Carlos, CA	Westchester County, NY	Summary - Potential Ossining Measures (Transportation)
Public Transit		<ul style="list-style-type: none"> <li>Promote use of public transportation, carpooling, and vanpooling</li> </ul>		<ul style="list-style-type: none"> <li>Support efforts to improve public transit connections</li> </ul>				<ul style="list-style-type: none"> <li>Conduct outreach on availability of public transit alternatives available to residents;</li> </ul>	<ul style="list-style-type: none"> <li>Support any future expansions of public transportation in the region via outreach to WCDOT and MTA</li> </ul>
Alternative Transportation	<ul style="list-style-type: none"> <li>Undertake a Safe Routes To School initiative;</li> <li>Promote walking &amp; biking;</li> <li>Promote bike/walk to work day;</li> </ul>	<ul style="list-style-type: none"> <li>Promote walking &amp; biking;</li> <li>Improve bicycle rack access;</li> <li>Undertake a Safe Routes To School initiative</li> </ul>	<ul style="list-style-type: none"> <li>Promote walking &amp; biking;</li> <li>Enhance bicycle and pedestrian safety outreach for drivers, cyclists, and pedestrians;</li> <li>Improve bicycle rack access;</li> <li>Undertake a Safe Routes to School initiative;</li> <li>Promote bike/walk to work day;</li> </ul>	<ul style="list-style-type: none"> <li>Encourage business to alternative commuting measures in order to reduce number of single occupancy vehicles;</li> <li>Encourage residents and employers to participate in ride sharing programs;</li> <li>Designate safe walking &amp; biking routes in the community and create online surveys on biking/walking;</li> </ul>	<ul style="list-style-type: none"> <li>Increase bicycle-friendliness and promote bicycle use Town-wide;</li> </ul>	<ul style="list-style-type: none"> <li>Encourage business to implement flextime and ridesharing policies</li> </ul>	<ul style="list-style-type: none"> <li>Promote walking &amp; biking;</li> <li>Promote ride sharing programs;</li> <li>Designate safe corridors for bike/ped travel and create maps for users of public transit</li> </ul>	<ul style="list-style-type: none"> <li>Promote walking &amp; biking;</li> <li>Outreach on carpooling &amp; vanpooling options</li> </ul>	<ul style="list-style-type: none"> <li>Work with Ossining UFSD to create a Safe Routes to School plan that can be implemented when funds become available again;</li> <li>Create Village bicycle-pedestrian webpage with maps of optimal routes to destinations in Ossining, along with social, environmental, economic, and health benefits of biking/walking;</li> <li>Conduct an annual Village &amp; Town-wide "Car Free" or "Bike to Work" day;</li> </ul>
Motor Vehicle Best Practices	<ul style="list-style-type: none"> <li>Discourage habitual single-occupancy vehicle usage;</li> <li>Undertake an anti-idling campaign</li> </ul>	<ul style="list-style-type: none"> <li>Promote NuRide ride share program; Investigate the establishment of a car-share program in the Town via outreach to ZipCar or similar service;</li> <li>Conduct an anti-idling campaign</li> </ul>	<ul style="list-style-type: none"> <li>Promote car-sharing program</li> </ul>	<ul style="list-style-type: none"> <li>Increase anti-idling outreach</li> </ul>	<ul style="list-style-type: none"> <li>Town should become a sponsor of NuRide ride sharing program</li> </ul>	<ul style="list-style-type: none"> <li>Public outreach program on idling</li> </ul>		<ul style="list-style-type: none"> <li>Conduct anti-idling campaign;</li> <li>Encourage local business to become sponsors of NuRide ride sharing program</li> </ul>	<ul style="list-style-type: none"> <li>Conduct public outreach program on idling;</li> <li>Encourage Village/Town government and local businesses to become sponsors of NuRide or similar carpooling program;</li> </ul>

Review of Global Warming Action Plans - Energy Measures

Measure Type	Annapolis, MD	Bedford, NY	Berkeley, CA	Evanston, IL	Greenburgh, NY	Menlo Park, CA	San Carlos, CA	Westchester County, NY	Summary - Potential Ossining Measures (Energy)
<i>Household Energy Efficiency</i>	<ul style="list-style-type: none"> <li>• Create webpage offering links to home energy efficiency information &amp; resources;</li> </ul>	<ul style="list-style-type: none"> <li>• Energy efficiency outreach &amp; technical assistance workshops for homeowners</li> </ul>	<ul style="list-style-type: none"> <li>• Undertake a campaign to reduce amount of energy wasted by local institutions and businesses</li> <li>• Identify and catalog existing energy-efficiency initiatives in the community and create website to showcase</li> </ul>	<ul style="list-style-type: none"> <li>• Develop &amp; maintain a community guide for energy efficiency, renewable energy, and green building grants, as well as technical expertise, grants, and tax incentives.</li> <li>• Launch community awareness campaign targeting home energy usage;</li> <li>• Connect residents to free/low cost energy audit providers;</li> <li>• Conduct free workshops on home energy use reduction</li> </ul>				<ul style="list-style-type: none"> <li>• Perform household energy audits;</li> <li>• Encourage behavior changes to reduce home GHG footprint ;</li> <li>• Make residents aware of various home energy efficiency grant programs</li> </ul>	<ul style="list-style-type: none"> <li>• Develop an online household energy survey and use results to encourage behavior changes to reduce household carbon footprint;</li> <li>• Add online resources to website to make residents aware of various home energy efficiency grant programs and home weatherization programs and to connect residents to free/low cost energy audit providers</li> <li>• Present case studies of successful energy-related projects in the community;</li> <li>• Partner with Con Ed, NYPA, or other organization to put on local workshops on home energy usage reduction</li> </ul>
<i>Commercial Energy Efficiency</i>		<ul style="list-style-type: none"> <li>• Energy efficiency outreach &amp; technical assistance workshops for local businesses</li> </ul>		<ul style="list-style-type: none"> <li>• Encourage local businesses to participate in utility programs that allow the user to monitor their energy use;</li> <li>• Educate business owners on availability of commercial energy usage reduction incentive programs;</li> <li>• Launch community awareness campaign to promote use of programmable thermostats as an energy-saving feature</li> </ul>					<ul style="list-style-type: none"> <li>• Encourage local businesses to participate in utility programs that allow the user to monitor their energy use;</li> <li>• Educate business owners on availability of commercial energy usage reduction incentive programs;</li> <li>• Launch community awareness campaign to promote use of programmable thermostats as an energy-saving feature</li> </ul>
<i>Other Measures</i>					<ul style="list-style-type: none"> <li>• Create a mascot and logo for the "Greening Greenburgh" campaign;</li> <li>• Create education modules that can be tailored to various segments of the community;</li> <li>• Create an "environmental success stories" section on Town website featuring case studies of efforts that residents have undertaken, highlighting common problems and their solutions;</li> </ul>		<ul style="list-style-type: none"> <li>• Create education modules that can be tailored to various segments of the community;</li> <li>• Conduct press releases at regular intervals;</li> </ul>	<ul style="list-style-type: none"> <li>• Create a "Green Ossining" logo and mascot;</li> <li>• Create energy efficiency public education modules that can be tailored to various segments of the community;</li> <li>• Create an "environmental success stories" section on Green Ossining website featuring case studies and press releases focusing on Green efforts that residents have undertaken</li> </ul>	

Review of Global Warming Action Plans - Water Resources Measures

Measure Type	Annapolis, MD	Bedford, NY	Berkeley, CA	Evanston, IL	Greenburgh, NY	Menlo Park, CA	San Carlos, CA	Westchester County, NY	Summary - Potential Ossining Measures (Water Resources)
<i>Household Water Conservation</i>		<ul style="list-style-type: none"> <li>Evaluate and promote water conservation technology and measures for residents; Conduct workshops for residents and landscapers;</li> </ul>	<ul style="list-style-type: none"> <li>Encourage water recycling and greywater reuse;</li> </ul>	<ul style="list-style-type: none"> <li>Education &amp; Outreach for homeowners on water conservation measures</li> </ul>	<ul style="list-style-type: none"> <li>Education &amp; Outreach for homeowners on water conservation measures</li> </ul>	<ul style="list-style-type: none"> <li>Education &amp; Outreach for homeowners on water conservation measures</li> </ul>		<ul style="list-style-type: none"> <li>Create a household campaign to save water</li> <li>Create online catalog of best practices in water conservation</li> <li>Conduct outreach specifically targeting businesses</li> </ul>	<ul style="list-style-type: none"> <li>Add water conservation information to Village Environmental Site and to Town website</li> </ul>
<i>Commercial Water Conservation</i>								<ul style="list-style-type: none"> <li>Conduct water conservation outreach specifically targeting small business tenants;</li> </ul>	<ul style="list-style-type: none"> <li>Conduct water conservation outreach specifically targeting small business tenants</li> <li>Add water conservation information to Village Environmental Site and to Town website</li> </ul>
<i>Stormwater Management</i>	<ul style="list-style-type: none"> <li>Outreach to residents on best practices in Stormwater Management</li> </ul>	<ul style="list-style-type: none"> <li>Encourage planting of trees; educational outreach to public on tree ordinance and best practices in landscaping;</li> </ul>	<ul style="list-style-type: none"> <li>Establish standards and guidelines for sustainable landscaping practices for homeowners and landscapers</li> </ul>	<ul style="list-style-type: none"> <li>Encourage Stormwater BMPs for residents and businesses.</li> </ul>	<ul style="list-style-type: none"> <li>Encourage Stormwater BMPs for residents and businesses.</li> </ul>			<ul style="list-style-type: none"> <li>Education &amp; Outreach on stormwater issues to public; Create online catalog of best practices In stormwater management</li> </ul>	<ul style="list-style-type: none"> <li>Add additional information to current Stormwater Management page on Village website and put information on Town website</li> </ul>
